Dear Harold Weisberg,

Hi, how are you doing? I'm fine. I am writing to say thank you for writing me, when you did. I really appreciate you writing, I really don't get too many responses from the people I write. Thank you for the help, support, and encouragement, its really helps. I also really appreciate what you are doing to bring out the truth to this country. I want and dream of finally going to be able ~~to be~~ to "~~case~~ close the case." I understand you have some health problems, and I feel you have done enough for me, thank you for everything.

Sincerly
